EXECUTIVE SUMMARY

Sufalam Sewa Nyas stands as an example of shining hope and compassion in Madhya Pradesh, by providing its services for over last 20 years, with the unwavering dedication. Founded on the principle “परोपकार ही स्व उपकार है” (Service to others is service to oneself), as proclaimed by revered saint Swami Satyamitranand Ji Maharaj, our Trust has transformed from a small group of college friends into a comprehensive charitable organization making significant impact in healthcare, education, and environmental conservation.

Sufalam Sewa Nyas is a registered Charitable Trust with Registration Number **1246/23-JAN-16**, and recognized under sections **12(AA)** and **80G** of the Income Tax Act. We operate with complete transparency and legal compliance. Our mission encompasses providing free healthcare support, educational advancement, environmental protection, and holistic welfare services to the underprivileged sections of society.

ORGANIZATIONAL BACKGROUND

Foundation and Philosophy:

The Charitable Activities of Sufalam Group was started in 2004 by a group of college friends who identifies the immense need for charitable support in healthcare. What began as a simple initiative to distribute free “*khichdi*” to patients at Maharaja Yeshwantrao Hospital, Indore, has evolved into a comprehensive welfare organization serving multiple sectors.

Our foundational philosophy is as stated above is rooted in the timeless wisdom of “परोपकार ही स्व उपकार है” emphasizing that true self-improvement comes through serving others. This principle guides every activity and decision made by our Trust.

- **Vision:** Ensure no needy or poor patient goes without essential medical support.

Community Empowerment

- **Target:** Expand woolen clothes distribution to 80,000+ beneficiaries
- **Vision:** To enhance livelihood opportunities and social dignity.

CONCLUSION

The journey of Sufalam Sewa Nyas is rooted with compassion and selfless service. It has consistently worked to uplift the underprivileged section of the society by working in different fields of services which had created visible change in countless lives. Every child educated, every plant nurtured, each food package distributed, and every patient supported reflects our belief that service to humanity is the highest form of duty.

However, at the same time, the **increasing demand** of number of underprivileged individuals in need, requiring educational support, healthcare facilities, and other welfare services, reminds us that the journey is far from the completion. These kind of growing demands strengthen our resolve to expand the scale of our selfless service.

Hence, as we look forward, our vision remains clear, to expand with the unwavering commitment, innovate our service providing methods, and ensuring that the hardships of an individual in need unheard.
